**WILL YOU HELP.....?**  
**KIDS HOPE AND 6TH GRADE SCIENCE CAMP!**  
 Ripon Elementary students need your help. Science Camp can be a financial burden for some of the families of sixth graders, resulting in some students not attending at all. Let's shower the 6th grade with some of the essentials they will need to attend Science Camp.

- ◆ They need: winter gloves, sunscreen, disposable cameras, postage stamps, trial size shampoo, soap, plastic container for soap, trial size toothpaste, reusable water bottles, chap stick
- ◆ AND if you have a sleeping bag laying around that you don't need anymore, there are a few students who need one.
- ◆ There will be a box (with a Kids Hope logo on it) in the back of the sanctuary for you to put in your donations. It will be there until the first Sunday in March.

Thank you in advance for your generosity!
